WINTER DAYS IN VARJOLA

Private occasions in the countryside

Varjola Resort & Activities is family-owned countryside resort in Lakeland, near Jyväskylä city. We offer large scale of nature and outdoor activities, you can also enjoy Finnish sauna with outdoor jacuzzis under the stars. Whether you are looking for adrenaline burst with snowmobile safari or relaxing, nature experience in snowy forest, we have choices for you. Our programs are done with over 20 years of experience.

TAILOR MADE EXPERIENCES

The history of Varjola dates back to the mid-1800s, when timber rafter manger was needed for the bypass Kuusaa river. Nowadays Varjola combines agriculture heritage to quality restaurant and meeting venues in old barn house and peaceful countryside river view. You can book privately all our venues just for your needs.

DINING PURE FINNISH CUISINE

Menus vary by seasons, and local fresh ingredients are used in our Finnish menus. During the activity day, you can enjoy coffee by the open fire in the hut. Evening can be organized with dinner gala, live music shows, entertainment - privately for your occasion.
